ABOUT THE BOOK

How can I get my life off hold? When will my life really begin?

We all ask ourselves the same questions when we are struggling to move forward. As a rabbi, Naomi Levy frequently offered spiritual guidance to people seeking the answers. But when a doctor told her that her young daughter, Noa, had a fatal degenerative disease, Rabbi Levy's own insights could not prevent her whole life from unraveling.

In *Hope Will Find You*, Naomi Levy shares her journey and the wisdom she gained. She describes with humor and honesty how she came through a time of uncertainty and fear and learned how to stop waiting for life to begin. A natural and engaging storyteller, Levy has written a book filled with invaluable lessons for living in the present and for opening the door to an extraordinary future.

Hope Will Find You is a book that will be passed to friends when life gets confusing, a book that will rest on our bedside tables when we are searching for hope and direction.
